

### REMARKS

Applicants appreciate the courtesies extended to their undersigned counsel during a teleconference initiated by Examiner Garland on January 4, 2010.

During the aforementioned teleconference, agreement to allow the application was made if Amendments to the application, as suggested by Examiner Garland were made. The changes were of minor typographical nature in claims 1 (to include the term [door]” before “vending” in line 3) and to underline the term “vending”; as well as to insert the claim notation “Previously Presented” before claim 3.

By the foregoing Amendment, applicants have adopted the changes suggested by Examiner Garland at the aforementioned teleconference.

In addition, applicants have carefully proofread the claims and noted that the terms “Internet” (as it appeared in claims 31, 118-120 123 and 124 was inconsistently spelled) as was “website” (in Claims 75-76, 82, 92-93, 105 and 106), which have been corrected to a common spelling. In addition, it was noted that “homepages” was misspelled in claims 37, 69 and 76, which has been corrected. None of the Amendments introduce new matter.

Claims 1-12, 31-41, 60-96, 98-99, 101-111, 113-127, 129, 132, 135, and 141-142 remain pending.

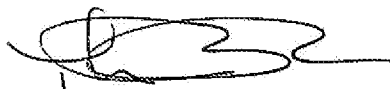

In view of the foregoing Amendments and the submission of a Supplemental Reissue Declaration executed by each of the inventors, it is believed that the application is now in condition for immediate allowance.

It is not believed that any additional fees are due, but any fees due may be charged to the undersigned’s deposit account number 14-1437, under Order No. 8685.002.US0001.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 14-1437, under Order No. 8685.002.US0001.

Date: January 12, 2010
